

The background of the image is a vibrant blue nebula. It features a bright, glowing central star or light source that radiates outwards, creating a gradient of blue tones from deep indigo to bright cyan. The nebula's structure is complex, with wispy, filamentary patterns and numerous small, bright blue particles or dust grains scattered throughout the field of view. The overall effect is that of a dynamic, energetic cosmic environment.

VisualStudio Code for Web

- ・ **File System Access APIがあるブラウザならOK。**

(現在のところChromeかEdgeのみです。)

- ・ **まだ使えないプラグインが多い。**

- ・ **Gitと連携でき、分散開発が可能 (ではないか) 。**

- ・ **VS Codeをインストールできなくても開発で使える！**
